

A WALK IN BEVERLY HILLS

A Day with Family

Whether your idea of a family vacation is hands-on activities that let your youngsters play and explore or days spent experiencing culture and history, Beverly Hills is the perfect family destination. For a fun tour of the city, hop on our famous Beverly Hills Trolley and then slip into the hotel pool for some fun in the sun with the kids. No matter what you choose, your Beverly Hills family vacation will make for a lifetime of memories.

1 Beverly Hills Sign & Lily Pond

The 40-foot long Beverly Hills sign, located in Beverly Gardens Park, is one of the most prominent and widely recognized landmarks in the city and an often photographed location in Beverly Hills. A photo with the family in front of this iconic sign makes for a picture-perfect postcard moment to share with friends back home. The lily pond that you see today was recently recreated to reflect its original state.

2 Sprinkles

This famous cupcake bakery started right here in Beverly Hills. These decadent, mouth-watering treats, offered in flavors like

Red Velvet, Lemon Coconut and Chocolate Marshmallow are only a few flavors to try. Outside, Sprinkles' unique Cupcake ATM dispenses its most popular flavors 24 hours a day. Next door, Sprinkles Ice Cream features sweet, creamy all-natural ice cream as a cool complement to its gourmet cupcakes.

3 The Witch's House

The converted private home, with its pointy, lopsided roof, tiny windows and stucco with a distressed paint job is surrounded by an intentionally overgrown English-style garden and once surrounded by a moat-like pond. The home was originally built in 1921 to serve as the offices and dressing rooms for a film studio in Culver City, and was moved to its present location in 1934.

4 Nate 'n Al

This iconic delicatessen has been a family-run institution for more than 65 years. The legendary status is rooted in its reputation for consistently offering tasty menu items, many developed from old family recipes. The food is all presented by friendly servers who have been with Nate 'n Al for decades. The restaurant is family-friendly with an extensive menu that everyone can enjoy.

5 Beverly Hills Trolley

The Beverly Hills Trolley combines the best of both worlds – a fun ride in a replica old-fashioned trolley car with a narrated tour. See the sites that have made the city such a draw over the years including Rodeo Drive, the Witch's House and the former homes of America's favorite stars. Hop on board at the top of the hour from 11 am – 4 pm, Tuesday through Sunday, during the summer (July 5 - September 2) and holiday seasons (Nov. 24 - Dec. 30). The trolley runs on Saturdays and Sundays for the remainder of the year. Fares are budget-friendly at \$5/adult and \$1/child, 12 and under.

6 Beverly Canon Gardens

This delightful garden oasis sits next to Montage Beverly Hills. The public space features benches, cafe tables and chairs, a tranquil fountain and lawn area, all perfect for lounging and playing in the sunshine. During the summer, the City of Beverly Hills hosts a variety of events in the garden including free outdoor concerts and movie nights. There are also several restaurants in the immediate area that can provide a quick lunch for you to enjoy outdoors.

For families with extra time, here are more activities:

7 Paintbox at Montage Beverly Hills

No matter your age, there's an activity for everyone at Montage Beverly Hills. Indulge in a decadent meal or spa treatment while the kids take part in a variety of activities at the Paintbox activity center inside the hotel. Activities are designed for kids, 5 - 12 years old, and run the gamut from cooking and magic-themed arts and crafts to pool and outdoor garden games. Parents may book children's activities at the Montage Concierge Desk while enjoying the hotel.

8 Color Me Mine

Get the family's creative juices flowing at Color Me Mine, an out-of-the-box, paint-your-own-ceramics experience. Select a blank white ceramic piece to start – then plot your artistic course. Family members can create their own freeform design or use stencils and rubber stamps to decorate one of many unique pieces.

9 Starline Tours

Since Beverly Hills is located in the heart of Los Angeles, it is quite convenient for you and your family to begin your exploration of LA here in Beverly Hills. There are several tours throughout the city, however Starline's "hop-on hop-off" bus tour allows you to enjoy a guided tour and hop off at your desired location without the hassle of driving or parking your vehicle. Hop-on, Hop-off tickets can be purchased directly on the bus.

Sweet Stops

For a cool treat on your family outing, stop at any one of the many tempting frozen yogurt shops around town. Try any one of the 12+ rotating flavors like dulce de leche at Froyo Life (241 S. Beverly Drive), or the famous tangy original version with fresh fruit toppings at Pinkberry (240A S. Beverly Drive). Adults and children will both enjoy sweet shops along S. Santa Monica Blvd. including Sugarfina (9496 S. Santa Monica Blvd), a gourmet candy shop that offers perfect souvenirs. Just a few steps away, make sure to stop by the Ice Cream Lab (9461 S. Santa Monica Blvd) so you and your family can create your perfect ice cream experiment. Ice Cream Lab's idea revolves around the molecular gastronomy cooking concept, utilizing liquid nitrogen as the style of preparation to instantly freeze ingredients into ice cream.
